10th Anniversary Souvenir 2007

The divine play of Mother's love
fills my heart with light and joy
Soaring beyond the realm of this world
I reach thy ever protective land
Grace me with your divine glance
merging me with your eternal heart
Supreme mother we bow to thee
On this happy mother's day.

Composed by

To the love that fills the heart
To the heart that bleeds for our souls
To the Soul that fills us with light
To the light that is the eternal peace.
